

ENGAGE 2012

OPENING DOORS TO INTERNATIONAL COLLABORATION
FOR PRODUCERS, SCREENWRITERS & WRITER/DIRECTORS

ENGAGE 2012 is a training programme for new and emerging writers, writer/directors and producers, designed to foster international creative collaborations.

ENGAGE 2011 brought together 24 participants from several European countries to develop new fiction, documentary and animation feature projects. ENGAGE 2011, with support from MEDIA Mundus, extended its reach beyond Europe and welcomed 5 additional participants from Canada and China, opening the doors for better understanding of international co-production.
